INFANT

We're delighted you want to know about the possibility of baptism at one of our churches.

Christian baptism takes one of two forms. Its either a choice an adult makes for themselves, or a choice an adult makes on behalf of a child, until such time as the child is in a position to make a choice for themselves.

Either way, the heart of baptism is not the ceremony, but the decision taken to become a follower of Jesus Christ. The ceremony of baptism is a visible and public sign of this decision and a choice to identify with a particular church community.

Note: If you are an adult wanting to be baptised, please use the adult version of this form available at www.hopechurchfamily/org/life-events/baptism.

4) Previous baptism with our churches

Please tell us details of any children you've previously had baptised with us. If you can remember the approximate year and who the vicar was, that may help!	

5) Please tell us about your chosen godparents

- ☐ Godparents must be baptised. It may help if you let us know if they have been through confirmation also (note this is an Anglican or Roman Catholic rite in which adult Christians take on their baptism promises for themselves).
- ☐ We recommend you choose at least three godparents, two of whom are the same gender as the child, but there are no set rules about this. If you wish to have more than six godparents, please discuss this with the person conducting the service.
